

**NEW! Folate+**  
For only \$1 a day

Folate+ is an FDA regulated "medical food" that addresses the biochemical root cause of depression, anxiety, & ADD/ADHD with the use of natural folate

Individuals with psychiatric disorders may have lower levels of folate and dietary folate intake than individuals without psychiatric disorders

Folate+ contains evidence-based ingredients to help normalize and balance serotonin, dopamine, & norepinephrine for improvement in overall mood, concentration, motivation, energy, and sleep

Folate+ | Once-a-Day Capsule
