

Natural + Safe + Proven

TREATMENT INNOVATIONS IN WOMEN'S MENTAL HEALTH

What is EnBrace HR?

EnBrace HR has been demonstrated as a safe and effective option designed to address the unique mental health needs of women of all ages including depression

For the emotional dysregulation of PMS and PMDD, we turned first-line to the natural, broad spectrum B vitamin coenzymes and mineral cofactor agent, EnBrace HR. This product has provided safe and effective relief for countless patients with these challenging symptoms."

Andrew Farah, MD

Clinically Proven

A clinical trial conducted at the Massachusetts General Hospital Center for Women's Mental Health, in conjunction with Harvard University, shows the clinical effectiveness of EnBrace HR for the prevention and treatment of depression in women.

Annals of Clinical Psychiatry 2019
